If individual, Name:

- This award is offered for exceptional Spirit Teamwork, Volunteerism and Sportsmanship.
- The award recognizes those who act as superior role models in the areas of spirit, sportsmanship and volunteerism.
- Nominations should give examples of outstanding spirit, sportsmanship and volunteerism demonstrated by the team/individual.
- This award should not be considered a “hard luck” award.

Please cite the reason for the nomination below. Remember that your words are the basis on which a nomination will be accepted or rejected. Please be very specific and convincing!

This team showed tremendous teamwork under duress. All members pulled together when, under immediate family circumstances, a teammate was unable to attend today's tournament. The missing teammate's role was central to the performance, but the appraisers noted nothing “fishy”. The narration that was shared among the team left us singing not only their bioluminescence song but their praises, as well.
