This group demonstrates the unique ability to build upon the DI experience. They amazed the appraisers with their year long process using their recycled materials in unanticipated and unexpected ways. Their attention to detail was evident in their intricately layered set design, their integrated research, and the depth of their information presented. With 700 bottle caps, numerous gum wrappers multiple 3 step processes, and enormous dental bills, we're not Lying when we say you truly took us down under with your presentation.
