- Nominations should give examples of outstanding spirit, sportsmanship and volunteerism demonstrated by the team/individual.
- This award should not be considered a “hard luck” award.

Please cite the reason for the nomination below. Remember that your words are the basis on which a nomination will be accepted or rejected. Please be very specific and convincing!

The team demonstrated extraordinary positive energy, humor and effective communication. They were very supportive of one another as they quickly got down to problem solving and creating retrieval devices. It flowed unusually well as everyone participated in thinking of designs and modifications. Not only were they successful, but it was done with a flair.
